Californians Don't Waste

2015 Water Restrictions

Irrigation

Water No More Than 3 Days a Week, before Noon or after 6 pm (odd address MWF, even address T Th Sat)
No Runoff from Irrigation
No Outdoor Irrigation during measurable rain events or 48 hours after
New construction irrigation must meet the requirements for high efficiency irrigation

Other Limitations

Do not use running water to wash down sidewalks, driveways or buildings (except for health and safety reasons)
Do not wash cars without an auto-shut-off nozzle
Do not use running water for decorative fountains unless water is recirculated
Restaurants serve water only upon request
Hotel guests may opt out of daily linen and towel laundry

Enforcement

We investigate complaints, provide education, issue warnings and impose fines for water wasting
