

## Event Questions & Answers

**Q:** If Fairfield is already registered nationally, why should my neighborhood register with FFPD?

**A:** The Fairfield Police Department Crime Prevention Unit will log your event, number of participants, time and location. This will allow us to try and have Police and other City representatives stop by and visit your event.

**Q:** How can our neighborhood participate in this year's National Night Out?

**A:** Participating neighborhoods nationwide are asked to turn on outside lights, lock their doors, and spend the evening outside with neighbors and Police. Neighborhoods will be hosting a variety of events ranging from small pot-lucks and BBQ's to large block parties. It's up to you.
