Waste reduction and recycling information

Please answer all questions. Applicants can also include any information about their program including brochures and photographs that will assist in judging an entry.

1. List all the materials that are recycled in your program. Explain how they are collected and list all your recyclables materials. If you received revenue for your materials please note the annual amount next to each the material type.
2. Has your recycling program reduced the frequency and cost of disposal service? If yes, please quantify on a monthly or yearly basis.
3. Please list by product type all the recycled content products your organization purchases and what percentage of the purchases of that product type contain recycled content.

4. Describe your efforts to educate employees/tenants and provide continuous updates about waste reduction and recycling. Please mention motivational tools/programs employed and include samples of the educational materials your organization uses.
5. If you have a reuse program, please let us know about it. Do you donate any items to non-profit organizations?
6. Would you allow the City of Fairfield to post information about your successful recycling program at the City's website?
