Pepperbelly's comes down

Fairfield, California (Tuesday, April 25, 2017)— On April 24, TJC Demolition and Development obtained a building demolition permit from the City of Fairfield to demolish the former Pepperbelly's Comedy Club building at 849 Texas Street. Presently, fencing surrounds the site and demolition activities are expected to begin within the next week.

In May 2013, the Pepperbelly's Comedy Club at was partially destroyed by fire. Shortly thereafter, the City approved a structural shoring permit for temporary shoring braces for the walls. The building owner has decided to demolish the structure.

The City's Community Development staff continues to work with the property owner to find an appropriate use for the site that will enhance the downtown area.
