Come join us for this workshop, designed especially for rental property owners and managers. Information regarding HCV program requirements will be presented from a property owner's point of view. In addition to the presentation, staff will be on hand to answer any questions you may have about HCV program operations, and you will receive the newest edition of the *Owner's Guide to the Section 8 Housing Choice Voucher Program*.

Topics include:

- What are the benefits of the HCV program?
- What are family, agency, and owner requirements under the HCV program?
- I am an owner; what are the steps to leasing to an HCV voucher holder under the program?
- How does the program really work?
