### **I-80 being closed for debris removal**

**Fairfield, California (Thursday, February 14, 2019 @ 11:30 a.m.)** - Due to heavy rains, the right lane of westbound I-80 between Chadbourne Road and the Suisun Valley Road exits has been closed while crews remove debris in the roadway.

At this time it is unknown when the lane will be re-opened. The closure may affect travel times in both directions of I-80. Please plan your trips accordingly and remember to drive safely in this weather.
