Public hearing on request by the City of Fairfield for Ordinance Amendment (OA2020-07) adopting amendments to Chapter 25, Article 1 (also known as the Zoning Ordinance of the City of Fairfield) addressing cannabis activities to be consistent with Chapter 10E “Commercial Cannabis Business” of the Fairfield Municipal Code. (Planner: Amy Kreimeier, 707-428-7450, akreimeier@fairfield.ca.gov)

BACKGROUND/DISCUSSION
The City Council of the City of Fairfield has directed staff to prepare an ordinance which would permit limited commercial cannabis activities within the City. Staff presented Ordinance 2020-07 before the Council on June 9th, 2020, to add Chapter 10E “Commercial Cannabis Business” to the Fairfield Municipal Code, which permits and regulates certain cannabis activities within the City. With the adoption of the ordinance and the addition of Chapter 10E to the Fairfield Municipal Code on June 16, 2020, planning staff has found it necessary to make revisions to the Fairfield Zoning Ordinance to keep the zoning code up-to-date with current City policy. Therefore, staff is recommending several minor amendments to the text of the Zoning Ordinance which are outlined below.

1. Cannabis Regulations
Staff is recommending amendments to Section 25.32.17 “Cannabis Regulations” to be consistent with Chapter 10E of the Fairfield Municipal code. Specifically, that commercial cannabis activities are permitted within the City subject to the rules and requirements of Fairfield Municipal Code Chapters 10E and 10F.

2. Definitions
Staff is recommending amendments to Section 25.50 “Definitions” to include a definition for commercial cannabis businesses permitted within the City including retail, testing labs, and manufacturing consistent with Chapter 10E, remove references to medical marijuana

dispensaries which are obsolete, and clarify the definition of crop production as it relates to cannabis cultivation.

- Commercial cannabis businesses are to be defined as follows:

  "Commercial Cannabis Business. Any business or operation which engages in medicinal or adult-use commercial cannabis activity."

  "Commercial Cannabis Business, Retail. An establishment engaged in the retail sales of cannabis products and is owned and operated pursuant to a valid commercial cannabis business permit for retail from the City and a valid State license. Includes both storefront and non-storefront retailers as defined in FMC Chapter 10E Section 10E.5."

  "Commercial Cannabis Business, Testing Lab. An establishment engaged in the testing of commercial cannabis and is owned and operated pursuant to a valid commercial cannabis business permit for testing labs from the City and a valid State license."

  "Commercial Cannabis Business, Manufacturing. An establishment engaged in the production, preparation, propagation, or compounds cannabis or cannabis products, directly or indirectly, by extraction methods, independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and is owned and operated by a person issued a valid commercial cannabis business permit for manufacturing from the City and a valid State license as required for manufacturing of cannabis products. May include businesses that use either volatile or non-volatile solvents."

- The definition of “Office, Administrative, Business, or Professional” has been revised to remove the phrase “nor medical marijuana dispensaries, which are prohibited.”

- The definition of “Office, Medical and Dental” has been revised to remove the sentence “This classification also does not include medical marijuana dispensaries, which are prohibited.”

- The definition of “Crop Production” has been revised to read as follows:

  "Crop Production. Agricultural uses including the production of grains, field crops, vegetables, melons, fruits, tree nuts, flower fields, seed production, ornamental crops, tree and sod farms, associated crop preparation services and harvesting activities including mechanical soil preparation, irrigation system construction, spraying not involving the use of aircraft, crop processing and sales in the field not involving a permanent structure. This classification does not include cannabis cultivation which is regulated under Section 25.32.17 "Cannabis Regulations" and Chapter 10E of the Fairfield Municipal Code."
3. Land Use Tables

To be consistent with Chapter 10E, Staff is recommending updates to Table 25-9: Commercial District Land Use Regulations, Table 25-H1: Heart of Fairfield Land Use Regulations, and Table 25-11: Industrial District Land Use Regulations to permit certain commercial cannabis businesses.

- "Commercial Cannabis Business, Retail" is to be permitted in the CS, CT, CR, CM, HWT, IBP, and IL zoning districts.
- "Commercial Cannabis Business, Testing Lab" and "Commercial Cannabis Business, Manufacturing" is to be permitted in the IBP, IL, and IG zoning districts.
- Each table will include a reference to Chapter 10E (Commercial Cannabis Business) of the Fairfield Municipal Code under the column "Additional Regulations."
- Two notes will be added to each table which specify additional locational requirements for commercial cannabis businesses under Chapter 10E. The notes shall read as follows:

  "Retail sales of cannabis shall not be located on any commercial or industrial property within the area bounded by Travis Blvd., Pennsylvania Ave., and Gateway Blvd."; and

  "No commercial cannabis business, whether Retail, Manufacturing, or Testing Lab, shall be closer than six hundred (600) feet from any of the following sensitive uses that are in existence at the time a permit application is deemed complete: a public or private school providing instruction in kindergarten or any grades 1 through 12; a child day care center; or a youth center, as defined in Chapter 10E of the Fairfield Municipal Code. The distance measured shall be the horizontal distance measured in a straight line from the property line of the parcel with the sensitive use to the closest property line of the lot on which the cannabis business is located."

CORRESPONDENCE
Notice of the proposed Zoning Ordinance revisions was published in the newspaper, as required by state law.

ENVIRONMENTAL REVIEW
Staff has determined that the proposed amendments to the text of the Zoning Ordinance are exempt from CEQA review under Section 15305 of the CEQA Guidelines, which exempts Minor Alterations in Land Use Limitations; and under Section 15061(b)(3), the general rule that CEQA only applies to projects which have the potential for causing a significant effect on the environment.
RECOMMENDATION
Staff recommends that the Planning Commission adopt Resolution No. 2020-12, which recommends the City Council approve the Zoning Ordinance Amendments.

RESOLUTION NO. 2020-12

A RESOLUTION OF THE FAIRFIELD PLANNING COMMISSION
RECOMMENDING THE CITY COUNCIL OF THE CITY OF FAIRFIELD
ADOPT AMENDMENTS TO CHAPTER 25, ARTICLE I (ALSO KNOWN
AS THE ZONING ORDINANCE OF THE CITY OF FAIRFIELD)
ADDRESSING CANNABIS ACTIVITIES TO BE CONSISTENT WITH
CHAPTER 10E "COMMERCIAL CANNABIS BUSINESSES" OF THE
FAIRFIELD MUNICIPAL CODE

THE PLANNING COMMISSION OF THE CITY OF FAIRFIELD HEREBY RECITES,
FINDS, DETERMINES, ORDERS, AND RESOLVES AS FOLLOWS:

SECTION 1. On June 16, 2020, the City Council adopted Ordinance No. 2020-07, which
establishes a process for allowing a certain number of commercial cannabis businesses
to operate in the City pursuant to a commercial cannabis business permit and the adopted
regulations.

SECTION 2. The Fairfield Zoning Ordinance currently prohibits all commercial cannabis
activity within the City, and so is in conflict with Ordinance No. 2020-07.

SECTION 3. The Planning Commission has held a duly noticed public hearing on July 8,
2020. City staff presented substantial factual information regarding the proposed Zoning
Ordinance amendments in staff reports and through oral presentations before the
Commission, and the Planning Commission considered all public testimony and
information presented during the public hearing regarding this application.

SECTION 4. Based on the information presented by staff, the Planning Commission has
determined that the proposed amendments to the text of the Zoning Ordinance are
exempt from CEQA review pursuant to CEQA Guidelines Section 15060(c)(3), because
it is not a "project" as defined by Section 15378. Adoption of the Ordinance does not have
the potential for resulting in either a direct physical change in the environment, or a
reasonably foreseeable indirect physical change in the environment. Subsequent
commercial cannabis business projects will require a discretionary permit and CEQA
review, and will be analyzed at the appropriate time in accordance with CEQA. The
Planning Commission further finds that, if the Ordinance is considered a "project," it is
exempt from review under CEQA Guidelines Section 15061(b)(1) which exempts a
project from CEQA if the project is exempt by statute. Business and Professions Code
Section 26055(h) provides that Division 13 (commencing with Section 21000) of the
Public Resources Code does not apply to the adoption of an ordinance, rule, or regulation
by a local jurisdiction that requires discretionary review and approval of permits, licenses,
or other authorizations to engage in commercial cannabis activity. Consistent with Section 26055(h), this Ordinance allows for operation of a commercial cannabis business only after a commercial cannabis business permit has been obtained. Under Chapter 10E of the Fairfield Municipal Code, a business must obtain all necessary land use approvals, including compliance with CEQA, to be issued a commercial cannabis business permit.

SECTION 5. Based upon factual information, the Planning Commission hereby recommends the City Council adopt the Zoning Ordinance amendments, as attached hereto as Exhibit A.

SECTION 6. The record of proceedings shall be located at the City’s Community Development Department and the Director of Community Development shall be the custodian of such documents.

PASSED AND ADOPTED this 8th day of July, 2020.

2. Add notes 16 and 17, to read as follows:

“(17) No commercial cannabis business, whether Retail, Manufacturing, or Testing Lab, shall be closer than six hundred (600) feet from any of the following sensitive uses that are in existence at the time a permit application is deemed complete: a public or private school providing instruction in kindergarten or any grades 1 through 12; a child day care center; or a youth center, as defined in Chapter 10E of the Fairfield Municipal Code. The distance measured shall be the horizontal distance measured in a straight line from the property line of the parcel with the sensitive use to the closest property line of the lot on which the cannabis business is located.”

SECTION 6. Table 25-11 (Industrial District Land Use Regulations) within Chapter 25, Article I, Section 25.24 (Industrial Zoning Districts) of the Fairfield Municipal Code is hereby amended as follows:

1. Under the “General Service” category, add “Commercial Cannabis Business, Retail” in the IBP and IL zoning districts, and include citations to Chapter 10E (Commercial Cannabis Business) of the Fairfield Municipal Code and to notes 7 and 8 under the column “Additional Regulations.”

SECTION 7. The City Council finds that this Ordinance is not subject to the California Environmental Quality Act (“CEQA”) pursuant to the CEQA Guidelines Section 15060(c)(3), because it is not a “project” as defined by the Section 15378. Adoption of the Ordinance does not have the potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment. Subsequent commercial cannabis business projects will require a discretionary permit and CEQA review, and will be analyzed at the appropriate time in accordance with CEQA. The City Council further finds that, if the Ordinance is considered a “project,” it is exempt from review under CEQA Guidelines Section 15061(b)(1) which exempts a project from CEQA if the project is exempt by statute. Business and Professions Code Section 26055(h) provides that Division 13 (commencing with Section 21000) of the Public Resources Code does not apply to the adoption of an ordinance, rule, or regulation by a local jurisdiction that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity. Consistent with Section 26055(h), this Ordinance allows for operation of a commercial cannabis business only after a commercial cannabis business permit has been obtained. Under Chapter 10E of the Fairfield Municipal Code, a business must obtain all necessary land use approvals, including compliance with CEQA, to be issued a commercial cannabis business permit.

SECTION 8. If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have passed this Ordinance and each and every section, subsection, sentence, clause or phrase not declared invalid or unconstitutional without regard to whether any portion of the Ordinance would be subsequently declared invalid or unconstitutional.
SECTION 9. This Ordinance shall be effective 30 days following its adoption by the City Council. A summary of this Ordinance shall, within fifteen (15) days after passage, be published in accordance with Section 36933 of the Government Code of the State of California with the names of the City Councilmembers voting for and against it.
